

Ikon Gallery Trustee Job Description & Person Specification

Ikon Gallery Ltd seeks new voluntary Trustees to join our Board at an exciting time for Ikon Gallery. We are seeking new trustees who will help to support the Chair of the Board, Director and other staff in our future programme and company development.

Key Objectives

- To work closely with the Chair of the Board, Trustees and Executive at Ikon to support Ikon in the development and implementation of the strategic plan.
- To support Ikon in all areas of business and act as an ambassador for the charity.

Background

Ikon is an internationally acclaimed art gallery situated in central Birmingham.

Founded in 1964 and currently housed in a magnificent neo-gothic school building, Ikon is an educational charity and works to encourage public engagement with contemporary art through exhibiting new work in a context of debate and participation. It offers free entry to all.

Ikon is an independent, not-for-profit exhibition space and the gallery programme features artists from around the world. Ikon's off-site programme develops dynamic relationships between art, artists and audiences outside the gallery. Projects vary enormously in scale, duration and location, challenging expectations of where art can be seen and by whom.

Education is at the heart of Ikon's activities, stimulating public interest in and understanding of contemporary visual art. Through a variety of talks, tours, workshops and seminars, our Learning team aims to build a meaningful relationship with Ikon's audience that enables visitors to engage with, discuss and reflect on contemporary art.

Ikon's activity not only reflects the historical circumstances of Birmingham and the country as a whole since then, but also it constitutes a distinct point of view on British post-war art history.

More information can be found at www.ikon-gallery.org and our annual report and accounts can be found on Charity Commission and Company House websites.
