ABOUT IKON GALLERY

Ikon is an internationally acclaimed art gallery in central Birmingham. Founded in 1964 as an artists-led space, it has evolved into the region's flagship venue for contemporary art, combining established and emerging artists with local practitioners.

Housed in a beautiful Victorian school building, which has been carefully preserved to maintain the history of the building, Ikon Gallery provides a unique backdrop and versatile events venue.

Ikon Gallery is free to enter and welcomes over 200,000 visitors every year. Many more engage with education and off-site projects, national and international collaborations and via Ikon's digital platforms.

Ikon is a charity and by choosing us for your event you directly support the gallery's future.
